### IMPORTANT NOTES – Rehabilitation of Offenders Act (1974) (amended 2013)

Posts which involve substantial access to children are exempt from provisions contained within this Act under which job applicants are entitled to withhold information about any previous criminal background which would otherwise be considered ‘spent’ under the terms of the Act. If the job for which you have applied involves substantial access to children and you have been shortlisted for the post, you will be provided with a form on which you will be asked to disclose any previous criminal background which is not ‘protected’ and also authorise a search of Police Records. Failure to disclose the information could result in dismissal or disciplinary action. The possession of a criminal record will not automatically debar you from consideration for the post for which you have applied. Any information given will be treated as confidential and will only be used in relation to the post for which you have applied.
